Absolutely no way !
Pushing her daughter to a death trap just because of money?! Has she gone mad ?!
I heard the big news when I visited my long-time friend Wha-Ran.
I understand that the dowry is huge, but !
What does she think her daughter is ?!
Nothing we can do, Ren.

I was prepared for this outcome ever since I was born in this family. It is just how things run in this family
And it's not like I am the only one who gets married to a complete stranger.
The problem is that the guy is not normal ...
The noble man has a weird reputation.
He apparently "recruits" a bride every 5 years.
I will go and talk your mom ! She needs to know - !
Don't, Ren ! You are going to get yourself in a trouble !
Besides ...
She doesn't even know that I am seeing you. If she finds out..., you know how she is.

Wha-Ran...
Ren ?
A good girl like you should not be treated like this ...
Well ...
I look pretty good actually.
I will go instead of you.
I'd rather go instead of you.
Ren ?!
Just taken a chance and escape from this house.
And I will somehow manage to flee also.
But, Ren, You are...

A guy
So, I've got really nothing to lose !
How about a maid ? You should bring at least one.
Lots of excuses not to have one, like being too poor or something like that.
^ ^
But Ren ...
Ren ...
You know it's futile to stop me, don't you ? Once I say I'd something, I do it anyway.
And you can't stop me by force.
Ren...
It's alright. It's alright.
Ren

I am not talking about that !
Despite of your gender, you've always had above average beauty than ordinary girls..
And I swore to cross dress you one day !
At last !
꿈을 이루어진다♡

Wha, Wha-

You -
I am willing to invest this legendary "You can be beautiful" set in you !

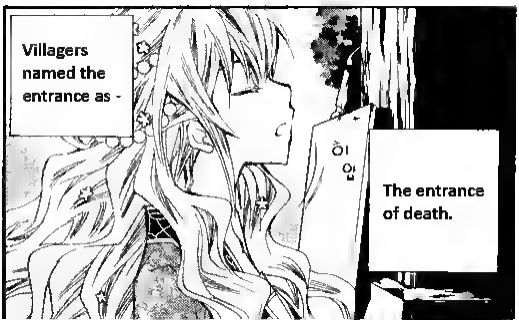
It's a well known story.
A story about a noble family living on top of a mountain in a gorgeous manor.
Every 5 years, they seek a virgin girl born on March 3rd to be a bride for them. The reward is very generous, and they pay small rewards to those who weren't selected.
Despite of generous reward, barely any girls volunteer to go.
Because -
- No girl has ever left the place alive.

So, this is the place ...
By the way ...

<- A lot of notices saying "Life is long." "Life is precious." "Turn around if you want to live" and such.

That's a lot of notices.
Well, the people dropped me off a distance away and literally flew away.
The entrance is filled with notices telling anyone not to enter.
인생은 길다
살 자
들아가라



Though most people are scared to call it, so they just say "the place".
They say the master of this place loves to torture and kill.
And they say that he eats brides alive as well.
EXIT
They say the "leftovers" create mountains for crows to enjoy.
They also say that the souls of the girls haunt this place.
Well, they say
so far
JANIMES.COM

Ack !
Ghosts or whatnot ! That only works for weaklings !
Ghosts or monsters ! I will get them with my might !

"Might"

I recalled the seocnd reason I volunteered to come here ...

A day before I was going to leave to see Wha-Ran, father called me,
And he told me something very ridiculous.
Say that again ...
음 껄

Ren..., you know the rich noble who has a big peach tree ...
They ... told me that they wanted to hire you as a servant...
Servant
Yes, servant !
You are going to stay at his manor and do small errands while being fed and sleep for free.
Besides ! They gave me really a lot of money for the deal, so -
So -
I took the deal.
...Ren?
Hello, Son ?

Nice deal, it is ... Um, isn't it ?
The noble ... with a huge peach tree... You don't mean...

You don't mean the old perverted geezer who says out loud and I am pretty and tries to give me as many errands as possible to keep me around him.
You DO NOT mean him...., DO YOU ? .... FATHER ?!
But you know, when you broke a bonsai (potted plant), he let it go
Do you know how much that bonsai was ? it would have cost 10 years worth of food for us
He is such a kind man
If he was a kind man, the Heaven could have called him and made him a dragon !
And he even let go when you broke his leg, remmeber ?
He has dirty reasons for his acts of kindness !
That old geezer tries his every chance to touch my hands and more !
The last time I went berserk on him wes because he touched my butt !
When I finally hit him, do you know what he told me ?!
And you know that the power of my punch is brutal !

Come on, my cute Ren..., Ren... come here ...
우리 귀여운 렌, 렌... 이리 온...
When he got up after being thrown away, he was bleeding from his lips and his leg was broken ! But he still stood up and chased me !
Goose bumps I had at that time still hasn't gone away !
He told me that it was fine for me to hit him ! He is a damned perv !
Good for you.
You two are meant to be together.
A perv who is willing to be hit by you.
So, you can hit him whenever you want to vent your stress.

Too bad you've gone insane too early, dad. I will bury you on a good spot.
Don't worry. I will bury you really deep so that you can't get out.
No, you don't have to.

I took the money already and paid off all our debts.
You are usually slow to react to anything, but you are unusually fast in some odd situations.
You are my father ! How can you do this to me ?!
Yes, but -

I feel less and less bond with you since you... destory everything.
Results of Ran's rempages
And I can no longer afford to pay for every damage you cause in the town.
Ren
Just run away. It should be a piece of cake for you.
Know that I had to sell you in order to pay for all debts you've caused.
Try it out and if it's too hard for you -
Besides, you are nothing without your beauty and raw strength anyway

In other words, he expects me to look after myself and solve everything by myself !

And I wondered if I hadn't come, I wouldn't have met him.
No matter how I tried to avoid getting to the point, the period mark had always ended on him.

I don't want to hear that from someone who has nothing to look at.
He is trying to provoke me, but I am a guy.
I don't sneak into people's room at least, perv.
If you really want to be a candidate, get naked now.
